Dear Ms. Wiggins:

This letter is to recognize your organization's fantastic effort in organizing a food drive to benefit Prince George's County Center Catholic Charities Food Pantry. Due to your efforts along with other organizations, Prince George's Center food pantry has recently been able to increase the number of visits by families who are in need of food from every 60-90 days to the current 30 day visits. This is an incredible outcome which couldn't have been achieved without the graciousness of community members such as you and Hip Hop Education members. Your group contributed 658 food items to our food pantry. This amount of food will help to feed more than 21 families in need.

Catholic Charities is honored to partner with Hip Hop Education and we look forward to more events that would benefit both organizations. Again, thank you for your great support of this center and the families that benefit from your commitment.

Sincerely,
