Dear Mrs. Wiggins:

I want to thank you and the members of Hip-Hop Education, Inc for your excellent performance in the Children's Pavilion at the 23rd Annual National Council of Negro Women- Black Family Reunion. Your performance on Sunday, September 7, 2008 on the National Mall in Washington, DC helped to make the Children's pavilion one of the most well attended pavilions during the celebration.

It is thanks to volunteers like you that enable the National Council of Negro Women to put on such a quality event each year. I look forward to hopefully working with you in the future.

Sincerely,

Karen Wilkins
Chair of the Children's Pavilion
