Dear Mr. and Ms. Wiggins,

On behalf of the 2008 National Stomp Out Sickle Cell Walk Committee, I would like to extend a sincere thank you for supporting our event, which occurred on September 20, 2008. The kids stole the show! We were very excited to have them there and they helped to ensure that our event was successful. We estimate that close to 250 people participated and over \$7000 was collected in personal donations alone. The visibility and the funds raised will help promote and bring more awareness of sickle cell disease to the community, increasing the chance for additional funding and leading to an eventual cure for people coping with the condition.

SAVE THE DATE! The 3rd Annual 2009 Stomp Out Sickle Cell Walk is planned for **September 19, 2009**. We look forward to your support again as we plan to reach a larger audience and continue to fight for the cause of people with sickle cell disease.

Sincerely,

A handwritten signature in black ink, appearing to read "Barbara Harrison".
